-----------------------------	--

Trade Advice:	
----------------------	--

Safety Directions:	<p>Poisonous if swallowed. Repeated minor exposure may have a cumulative poisoning effect. Will irritate the eyes and skin. Avoid contact with eyes and skin. DO NOT inhale vapour or spray mist. When opening the container and preparing spray, wear cotton overalls buttoned to the neck and wrist or equivalent clothing and a washable hat, and elbow-length chemical resistant gloves. When using the prepared spray, wear protective waterproof clothing, cotton overalls buttoned to the neck and wrist or equivalent clothing and a washable hat, elbow-length chemical resistant gloves and a half-face piece respirator. If clothing becomes contaminated with product, remove clothing immediately. If product on skin, immediately wash area with soap and water. After use and before eating, drinking or smoking, wash hands, arms and face thoroughly with soap and water. After each day's use, wash gloves, respirator and if rubber wash with detergent and warm water, and contaminated clothing.</p>
---------------------------	--

First Aid Instructions:	<p>If swallowed, splashed on skin or in eyes, or inhaled, contact a Poisons Information Centre (Phone Australia 13 11 26, New Zealand 0800 764 766) or a doctor at once. Remove any contaminated clothing and wash skin thoroughly. If swallowed, activated charcoal may be advised. Give atropine if instructed.</p>
--------------------------------	---

Additional User Safety:	<p>If additional hazard information is required, refer to Material Safety Data Sheet, which is available from http://www.pacificbiologics.com.au.</p>
--------------------------------	--

Environmental Protection:	<p>Very toxic to aquatic life. DO NOT contaminate wetlands or watercourses with this product or used containers.</p> <p>Highly toxic to bees. However, the use of this product as directed is not expected to have adverse effects on bees.</p>
----------------------------------	--

Disposal:	<p>500 mL: Dispose of container by wrapping with paper and putting in garbage.</p> <p>5 L: Triple or (preferably) pressure rinse containers into spray. DO NOT dispose of undiluted chemicals on-site. If recycling, replace cap and return clean container to recycler or designated collection point. If not</p>
------------------	---

	<p>recycling, break, crush, or puncture container and deliver to an approved waste management facility. If an approved waste management facility is not available, dispose in compliance with relevant local, state or territory government regulations.</p> <p>DO NOT burn empty containers or product.</p>
--	---

Storage:	<p>Store in original container tightly closed in a dry cool place.</p> <p>DO NOT store in direct sunlight. Store below 30 °C (Room Temperature).</p> <p>DO NOT use after {insert expiry date}.</p>
-----------------	--
