### Description

Cover your landscaping program's every base with Landscaper Pro<sup>®</sup> Allround all-purpose fertilizer. Thanks to each granule's unique coating, this perfect 'in-between' fertilizer is your ideal solution towards providing any garden with long-term nutrition. Suitable for both moss and weed control, use this fertilizer's high levels of magnesium to optimize your turf's lush green color over a pre-defined 4-5 month period.

Trial first on a small scale before changing the rate, application, or any other variables. As circumstances can differ and as the application of our products is beyond our control, ICL cannot be held responsible for any adverse results.

## How to use

- 1 Apply directly to dry foliage.

- 2 Following application, watering-in helps dispersion and boosts immediate effect. Do not apply during drought or frosty conditions.
- 3 You should apply following completion of aeration programs, including scarification, slitting and/or hollowing to prevent damage to the granules.
- 4 Properly seal partly used or damaged bags.
- 5 Store under dry conditions.
- 6 If you need more information, please contact your technical support.
